

## Selfish Love Lyrics

Nadie tiene que decírmelo  
Hablas con otras que no soy yo  
Y te confieso que viéndolo  
Baby, me da ganas de tenerte

Just a little crush  
Got me over here thinking  
"Does somebody else care, somebody else care?"  
I know we got trust  
But you be gettin' me thinkin'  
"Does somebody else care, somebody else care?"

Tú quieres darme celos  
All this time and we still got that selfish love  
You like making me jealous  
(I like makin' you jealous)  
Es un juego que queda entre tú y yo, tú y yo, tú y yo

Yeah, yeah  
You know we got trust  
Yeah, yeah

Cómo me miran es obvio  
Ven marca tu territorio  
Este secreto entre los dos  
Sé que te dan ganas de tenerte

Just a little rush  
Got over here thinking that,  
Somebody else cares, somebody else cares  
You know we got trust  
But then again you thinking that  
Somebody else cares, somebody else care

I get just a little rush  
When you're over there thinkin'  
"Does somebody else care, somebody else care?" (Ooh, ooh)  
You know we got trust  
But then again you thinkin'  
"Does somebody else care, somebody else care?"

Me gusta darte celos  
All this time and we still got that selfish love  
I like making you jealous  
(I like making you jealous)  
Es un juego que queda entre tú y yo  
Tú y yo, tú y yo

Yeah, yeah  
You know we got trust  
Yeah, yeah

DJ Snake
